## Maxillofacial Plastic and Reconstructive Surgery

*Maxillofacial Plastic and Reconstructive Surgery* is an open access, peer-reviewed journal that publishes clinical and basic research on the epidemiology, etiology, treatment, and prevention of congenital and acquired anomalies/defects involving the oral and maxillofacial regions. The journal focuses on investigating the causative factors of oral and maxillofacial anomalies/defects and the development of surgical methods and materials for morphological reconstruction or functional restoration. *Maxillofacial Plastic and Reconstructive Surgery* is the official journal of the **Korean Association of Maxillofacial Plastic and Reconstructive Surgeons**.

## Message from Editor-in-Chief

"KAMPRS is affiliated with the Japanese Society of Jaw Deformities and the Taiwan Association of Oral and Maxillofacial Surgeons. Members of both sister societies share the same benefits as received by KAMPRS members. The contents of the journal are now included in the Emerging Sources Citation Index, which is part of Web of Science. We look forward to another 5 years of publication with Springer."

Seong-Gon Kim, Editor-in-Chief

Gangneung-Wonju National University

## Benefits for KAMPRS and sister society members

Members of the **Korean Association of Maxillofacial Plastic and Reconstructive Surgeons** entitled to special benefits when publishing with our journal, including:

- KAMPRS pays the article processing charges on behalf of members
- Provides a free English correction service to members
- Runs seminar on "good writing and ethics" for members
